

TTC 2003 Accessible Transit System

In its continuing effort to make the existing TTC transit system more accessible, the routes and stations listed here have been improved to accommodate those customers requiring accessibility features.

For information including bus schedules and elevator operational status, call 416-393-INFO (4636). Call Wheel-Trans Reservations at 416-393-4222 for assistance in planning your trips using Wheel-Trans.
